CELEBRATE  
MORE THAN  
29 YEARS OF  
MARRIAGE

We recently asked this Sacramento couple their secret to a long-lasting marriage. Here's what they said:

We highly recommend making time for you as a couple with a date night, weekends away or a simple candlelit dinner. Re-connect and remember what attracted you to the other.

**Give space to allow each other to pursue individual interests.**

Always show kindness and respect.

**When raising a family, have a united front in parenting.**

Ladies—don't make the honey-do list too long.

**Blind luck comes into play sometimes.**
